

Parm Dhami

Chief Financial Officer

Parm is responsible for leading and implementing company-wide business programs at Blis to deliver financial and operational benefits.

He is an accomplished, commercially astute and hands-on CFO, with leadership experience gained in both blue-chip and PE/VC backed enterprises.

With over 15 years' TMT sector experience in developing and managing all financial aspects of company strategy, Parm has a proven ability to build and lead multi-skilled teams that create sustainable and repeatable financial value.
